

OFF THE ROCKS IS A SOUTH AFRICAN *wine* BRAND

These **lifestyle wines** are dedicated to the **Kommetjie Lighthouse** on the southern Cape coast just north of **Cape Point** – a **rugged** and treacherous coastline which 15th century Portuguese explorer **Bartholemew Diaz** named **The Cape of Storms**. Later it became known as **The Cape of Good Hope**, and it is this very sentiment that is the guiding light for our vibrant, colourful, fruit-filled wines.

COASTAL *guardians*

There are **45 lighthouses** along **3000km of South African coastline** – a graveyard for more than **2000 shipwrecks**. We are honoured to donate a portion of the proceeds from **Off The Rocks** wines to the **NSRI (National Sea Rescue Institute)** who, in addition to many inland **life-saving rescue** initiatives, work tirelessly and voluntarily to save lives off **our shores**. And we all raise our hats to those giant statuesque **beacons of light**, standing **sentinel** between the **land and the sea**, keeping seafaring vessels **OFF THE ROCKS**.
